

APPLICATION FOR USE PERMIT

Please provide the following:

1. Owner of the Premises:
[name, address, phone number]
2. Applicant:
[user of the premises]
[name, address, phone number]
3. Legal description of property for which special permit is requested:
4. What is the zoning of the property
5. Set forth in detail what the applicant wants permission to do on the property (the “activity”). [include estimates of people activity and traffic on the premises occasioned by the use]
6. What is the monthly water consumption of the activity?
7. What is the maximum number of employees to be engaged at the activity?
8. Provide a description of the traffic flow to be permitted to and from the activity, including the types of vehicles, frequency of visits, and on and off site parking.
9. Describe the types and amounts of discharge or waste, if any, to be generated from or permitted from the premise other than personal sanitary waste associated with the number of employees set forth in answer to 7.
10. Describe what exterior noise will be generated from the activity to be permitted
11. What, if any, odors may be generated by the activity to be permitted?

12. Does the applicant request permission for outside storage or display, if so, describe what outside storage or display is requested.

13. Describe the buildings on the property and what uses will be in them.

14. Describe how the utilities including water, sewer, gas and electric will be supplied to the premises.

Attach a copy of a site plan showing: (a) the property boundaries, (b) all buildings on the property with uses marked and with entrances marked, (c) the parking including a count of the stalls (truck parking should be separately designated), (d) outside storage, if any, (e) screening, if required, by type and size, i.e. fencing or landscape, and describing the material be size and quantity, (f) loading docks or delivery points on the property, (g) water service to the premises or water connection to the main and stop box location for the water service, and (h) sewer system for the premises or connection from the main to the premises.

15. Has the applicant read the applicable zoning rules?

Applicant agrees if granted a permit, applicant will operate its activity on the premises in accordance with the permit. Applicant agrees not to consume more than 10,000 gallons of water per month. Applicant agrees not to discharge waste except as permitted and except for ordinary sanitary waste generated by the number of employees set forth herein.

Applicant understands that it must operate in accordance with its permit. To operate outside the boundaries of the permit is a misdemeanor punishable for each day the violation occurs.

Applicant hereby acknowledges and agrees that the foregoing application is true and correct, and if granted, agrees to use the premises only in accordance with the permit and this application.

Applicant
